

TIRE RANGE

ABOUT US

With a rich legacy spanning over 70 years, Alliance is a leading name in the off-highway tire sector. Through continuous innovation and advanced research, Alliance has been consistently offering top-tier products engineered to optimize productivity across applications. With state-of-the-art manufacturing facilities and robust research capabilities, Alliance has earned the reputation of offering a comprehensive value-driven portfolio of agricultural tires catering to diverse needs, making it the preferred choice of customers worldwide.

Yokohama-ATG (Y-ATG) is a global leader in the design, development, manufacturing and marketing of off-highway tires for a diverse range of applications which include agriculture, forestry, construction, industrial, earthmoving, mining, and port operations. With an extensive portfolio of well established brands such as Alliance, Galaxy and Primex, Y-ATG provides customers the highest quality tires, the lowest cost of ownership and the utmost convenience. The diverse range of offerings from Y-ATG comprises over 3500 SKUs, ensuring that customers can find the ideal tires to meet their unique requirements for both aftermarket replacements and OEM solutions. With a robust distribution network, Y-ATG ensures timely distribution and service support in more than 120 countries globally.
